If you do not receive an acknowledgement you should assume that your bid has been lost and you should either resend it or telephone the office. All Auction bids will be processed on Friday 27th June 2014 at the Tweed Foundation's office at Drygrange, Melrose. As noted above, all bids must be received by **Thursday 26th June 2014** with envelopes marked **Tweed Auction** not being opened until that date. No bids, in any form, will be accepted after this date.

All successful bidders will be informed within two weeks. Unsuccessful bidders will also be informed. Lots not reaching the Reserve may be withdrawn from the Auction.

AUCTION CONDITIONS

1. A rod may be shared by up to two people, but no more than this.
2. Fishing is with fly only from 15th September. Before that, spinning will be allowed.
3. Fish may be kept but not sold.
4. In line with general fishing practice, no refunds will be given if any day's fishing is lost under any circumstance.
5. All bids must be made in **whole** Pounds Sterling and, if successful, payment should be made in Pounds Sterling also. The addition of any pence will invalidate the bid.
6. Successful bidders will pay The Tweed Foundation direct.
7. Payment **must** be received within 14 days of being notified of a successful offer. Payment will be by cheque made payable to **The Tweed Foundation**. However, if you wish to pay by bank transfer, you should contact the office. If full payment has not been received within two weeks of notification, the sale may be rescinded without any notice being given to the buyer.
8. All successful bidders will be notified in writing within two weeks of the Auction and the bidder will be put in contact with the donor, and/or their appropriate agent or boatman, once payment has been received.
9. Boats and Boatmen are normally provided on a shared basis. Lot 8 has 3 boatmen and Lot 4 has one boatman. The donor will act as one of the boatmen for the day on Lot 5.
10. Lot 29 is suited to more experienced anglers as there is no boatman on this beat.
11. Whilst the Auction has some Lots which are a beat's full complement of rods for a day, it should be noted that **on most beats** there will be other rods fishing as well as those purchased in the Auction.
12. Fishing may **not** be sub-let.
13. All rods must abide by the Tweed Angling Code.
14. Lots are sold as shown. No negotiations to alter a day bought in the Auction can be entered into either with The Tweed Foundation or the donor. Descriptions listed are purely to give an indication of the beats' potential and are no guarantee of catches or performance.
15. The Tweed Foundation retains the right to refuse a bid, even if that bid is the highest offered for a Lot. Bidders attaching their own caveats to their offer will invalidate that offer.
16. Upper and Lower Dryburgh are now managed separately.
